1-Day Introduction to Heartfulness Relaxation and Meditation

What is Heartfulness?

Heartfulness is a simple and practical way to experience the heart's unlimited resources. The Heartfulness Institute offers workshops to help students and educators learn simple and effective relaxation and meditation techniques that help them develop calmness from within leading to reduced stress and anxiety, improved focus, and overall wellness of being.

How does this help the school?

Administrators and Staff

- are more relaxed, positive and develop clarity in decision making
- work more effectively and efficiently
- notice improved teamwork and communication

How do you learn this?

The Heartfulness relaxation and meditation techniques are simple and practical exercises designed to nurture individual well-being and balanced living. This involves being seated comfortably for 20 minutes in quiet repose with closed eyes, to simply tune inwardly through the guided suggestions given by the facilitator. It is available to everyone and is offered completely free of charge by trained Heartfulness volunteers.

How to integrate this in the school?

The practice can be easily integrated into a daily routine, and school schedule without any disruption. It is open to everyone irrespective of religion, nationality, personal beliefs, socioeconomic backgrounds, academic ability or other demographics.

A Heartfulness program can range from a single workshop to a series of workshops, providing a deeper understanding of meditation. Ongoing support is available from Heartfulness trainers.

Heartfulness Institute offers this method in over a hundred countries throughout the world for schools, universities, corporates, communities and individuals. The program is offered free of charge by trained Heartfulness volunteers. There is no cost for the practice at any stage or any other commercial interest.
